

CORE KINETIC CANCELLATION POLICY

I request a minimum of 24 hours for any cancellation so I may schedule another client/patient for that time.

If an appointment is not cancelled 24 hours prior to the scheduled appointment, you will be charged in full for your missed appointment. This may not apply in an emergency situation. Examples of emergencies are (1) severe weather (2) illness or accident. In any case, please call as soon as you can.

Thank you for understanding.
